BACKYARD
VACATION OASIS

Updated 2026

Creating Memories One At a Time!

At Backyard Vacation Oasis, we know choosing the right pool builder is a big decision. As a family-owned and operated business with over 30 years of pool industry experience, we're committed to guiding you through every step of the process with professionalism and care.

Founder Howard Guidry brought his passion for construction and customer service from Louisiana to the Texas Hill Country in 2006, creating a business focused on quality craftsmanship and family values. Today, his wife Kelli and children, Jade and Alex, help manage operations, ensuring your pool project runs smoothly from start to finish.

Let our family help build your backyard dream - and welcome you into the Backyard Vacation Oasis family.

Our mission is to make luxury outdoor living accessible to every homeowner by crafting custom pools, spas, and backyard retreats with unmatched quality and care. As a proud family-owned and operated business, we bring decades of experience, integrity, and personalized service to every project. We strive to ensure that anyone dreaming of their own backyard oasis can find us quickly, locally, and confidently.
